Automotive Engineering Exposition 2023 Nagoya  
Guide for Members of the Press

Thank you for visiting the Automotive Engineering Exposition 2023 Nagoya, organized by the Society of Automotive Engineers of Japan, today. Please keep the following guidelines in mind while covering the Exposition.

### Guidelines

- ◎ Always wear your press badge in the Exposition venues, Conference Center, and venues for events held concurrently.
- ◎ Use of the badge is strictly limited to the person who registered for it as a member of the press.
- ◎ People who access the premise using a press badge are strictly prohibited from engaging in marketing (including surveys) or any other non-media activities.
- ◎ Commercial use of pictures or videos taken in Exposition venues is not permitted, except for news reports, articles, personal use, or inclusion in in-house newsletters.

### Rules on Camera Use

- ◎ Camera use at the **booths** in the **Exposition venues**
  - Although the Exposition Office has asked exhibitors to cooperate with media coverage, **always obtain permission from the person in charge of the booth.**
  - You will be given a **press armband** if you **take pictures or videos in areas outside the Exposition venues.** Wear that armband at all times.  
\*The facilities do not have an area offering a bird's eye view shooting.
- ◎ The use of camera at presentations depends on the presenter. Please check with the reception desk in the press and media room.
- ◎ The **press armbands** are available at the front desks for members of the press listed below. Please return your **armband** on the same day to the desk at which you registered.

### Media Front Desk and Press Room

1. **Meeting room L2** (press and media room)
  - Times: 8:30 to 18:00 on the 5th, 9:30 to 18:00 on the 6th, and 9:30 to 17:00 on the 7th.
  - Wi-Fi is available.

### Handling of Personal Information

1. The personal information we obtain shall be used for the following purpose:
  - Notification of events organized by the JSAE and of press releases.
2. That information will never be disclosed to a third-party without permission.
3. Personal information shall be handled in accordance with our privacy policy (<https://www.jsae.or.jp/public/incorporation/privacy/>).

### Published Articles

1. Published articles must mention our official **“Society of Automotive Engineers of Japan”** name.
2. Permission must be obtained separately to reprint or translate texts (copyrighted works). Contact us directly for permission.
3. **Mail a copy** of the published article **to the address below.**

4. Failing to notify us may result in being refused access to future events.
