Startup Academia Pack Exclusive

Presentation stage

Exhibitors who apply for the Startup & Academia Pack can deliver a 20-minute presentation during the event period on the stage within the special area.

Take advantage of this opportunity to directly convey your proprietary technologies and research achievements to attendees—information that cannot be fully conveyed through your exhibition booth or exhibitor information page.

Promote your company's technology and research achievements in a 20-minute presentation!

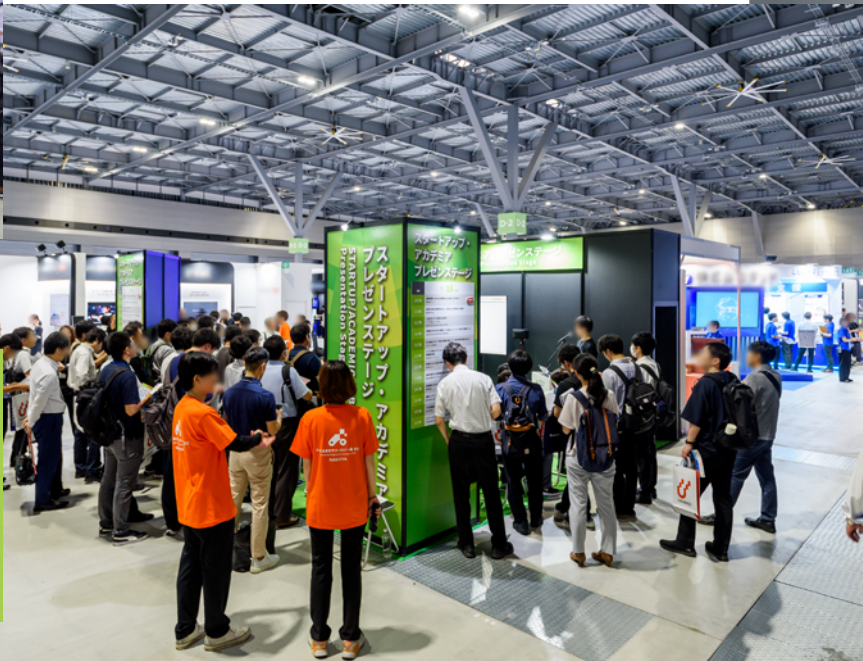

Every year, the presentation stage is extremely well received by exhibitors and visitors alike.

This exclusive feature in the Start-Ups and Academia Pack is the ideal chance to make new connections!

FAQ: Notes and restrictions about the presentation stage

- Q** Is use of the presentation stage compulsory?

A The presentation stage is included in the Pack, but it is not compulsory. Please consider using the stage as a good opportunity to communicate information to visitors.
- Q** When will the presentation schedule be finalized? Can we make requests about the time and date of presentation?

A The presentation schedule is due to be finalized at the beginning of June. However, requests about the time and date of presentations will not be accepted. Thank you for your understanding.
- Q** May we hand out printed materials to accompany the presentation?

A Pre-prepared materials may be handed out to the audience. Each exhibitor is responsible for handing out their own materials.
- Q** Will audience data be collected and provided?

A The exposition Administrator will use a QR code reader to obtain audience data in person, which will be delivered in Excel format at a later date.
- Q** Can we receive extra presentation slots?

A Since the presentation slots are limited, we will send out a notification about additional available slots once the participants have been finalized.
