Automotive Engineering Exposition 2023

Society of Automotive Engineers of Japan: 2023 Automotive Engineering Exposition Yokohama Guide for Members of the Press

Thank you for visiting the Automotive Engineering Exposition 2023 Yokohama, organized by the Society of Automotive Engineers of Japan, today. Please keep the following guidelines in mind while covering the Exposition.

Guidelines

- ◎ Always wear your press badge in the Exposition venues, Conference Center, and venues for events held concurrently.
- ◎ Use of the badge is strictly limited to the person who registered for it as a member of the press.
- ◎ People who access the premise using a press badge are strictly prohibited from engaging in marketing (including surveys) or any other non-media activities.
- ◎ Commercial use of pictures or videos taken in Exposition venues is not permitted, except for news reports, articles, personal use, or inclusion in in-house newsletters.

Rules on Camera Use

- ◎ Camera use **in the Technical Presentations venue (Conference Center)**
 - **Taking photographs or videos, or audio recordings in the venue is prohibited.** Check the exceptions **listed on the back of this sheet** if you want to take pictures or videos.
 - You will be given a **press armband** if you **take pictures or videos in the Technical Presentations venue**. Return the armband when done.
 - Avoid interfering the presenter or the audience while taking pictures or videos.
- ◎ Camera use at the **booths** in the **Exhibition Hall**
 - Although the Exposition Office has asked exhibitors to cooperate with media coverage, **always obtain permission from the person in charge of the booth**.
 - You will be given a **press armband** if you **take pictures or videos in areas outside the Exposition venues**. Wear that armband at all times.
 - Bird's eye view shootings will be conducted at 12:00, 14:00 and 16:00 every day. Please present yourself in front of the Annex Hall press and media room five minutes early, and inform the **front desk** that you **want to take pictures**.
- ◎ Refer to the reverse side of this sheet for camera use in other events.
- ◎ The **press armbands** are available at the front desks for members of the press listed below. Please return your **armband** on the same day to the desk at which you registered.

Front Desks for Members of the Press

1. **Conference Center, Entrance Hall, 2nd floor** (honorary members, front desk for members of the press, award recipients, other stakeholders)
 - Times: 8:00 to 18:00 on the 24th, 8:30 to 16:00 on the 25th and 8:30 to 17:00 on the 26th.
2. **Annex Hall** (press and media room)
 - Times: 8:00 to 18:00 on the 24th, 9:30 to 18:00 on the 25th, and 9:30 to 17:00 on the 26th.
 - Wi-Fi is available.

Note: You must register separately for the Exposition venues and the Technical Presentations.

The Keynote Address will be held in the Main Hall on the first floor of the PACIFICO Yokohama Conference Center.

Please proceed to the venue after registering in either the Conference Center or the Annex Hall.

Handling of Personal Information

1. The personal information we obtain shall be used for the following purpose:
 - Notification of events organized by the JSAE and of press releases.
2. That information will never be disclosed to a third-party without permission.
3. Personal information shall be handled in accordance with our privacy policy (<https://www.jsae.or.jp/tops/privacy.php>).

Published Articles

1. Published articles must mention our official **“Society of Automotive Engineers of Japan”** name.
2. Permission must be obtained separately to reprint or translate texts (copyrighted works). Contact us directly for permission.
3. **Notify us at the address below** of the name of the print medium or URL of the published article.

4. Failing to notify us may result in being refused access to future events.
